Packed with current research and examples, **best selling COMMUNICATION BETWEEN CULTURES, 9E** equips students with a deep understanding and appreciation of different cultures while helping them develop practical

communication skills. Part I introduces the study of communication and culture; Part II focuses on the ability of culture to shape and modify our view of reality; Part III puts the theory of intercultural communication into practice; and Part IV converts knowledge into action. This is the only text to consistently emphasize religion and history as key variables in intercultural communication. Compelling examples force students to examine their own assumptions, perceptions, and cultural biases--enabling them to understand the subtle and profound ways culture affects communication. The ninth edition offers expanded discussions of the impact of globalization, a new chapter on intercultural communication competence, and more coverage of new technology.

This new special, anniversary edition of **INTERCULTURAL COMMUNICATION: A READER**, celebrates 40 years of publication. In compiling this Fortieth Anniversary Edition, the editors reviewed over 600 articles from the previous

13 editions and selected those essays that educators, both in the United States and abroad, have considered foundational to intercultural communication teaching and research. These essays also illustrate the growth and direction of the field since the early 1970s. This edition offers a series of essays that enables students to gain an appreciation and understanding of intercultural communication. Material is presented in a context that assists students in comprehending and then applying course concepts to their lives. These core readings also demonstrate the historical development and philosophical evolution of the field. As with prior editions, the Reader continues to convey the idea that successful intercultural communication is a matter of highest importance in this globalized, interconnected world. The concluding chapter, "New Perspectives: Prospects for the Future," contains five new essays by leading intercultural communication scholars. These original works offer insight into new directions for intercultural communication in the coming decades.

Reflecting the latest from real-world practice, VIDEO BASICS, 8th Edition, by Emmy award-winning producer, director, and innovator Herbert Zettl delivers the most authoritative, current, and technically accurate guide to video production

available. Concise yet thorough, the text moves you quickly from video concepts and processes to production tools and techniques, and -- ultimately -- the production environment (studio and field, indoors and out) and its effects. A more conceptual framework helps you progress from the idea (what to create) to the image (how to create) on video. In addition, the accompanying MindTap digital experience helps you ensure your course success with a range of interactive study tools.

MindTap eBook

Delivering the most comprehensive coverage available, Herb Zettl's SIGHT SOUND MOTION: APPLIED MEDIA AESTHETICS, 8e thoroughly describes the major aesthetic image elements -- light and color, space, time-motion, and

sound -- as well as presents in-depth coverage on how they are creatively used in television and film. Real-world applications bring the text's detailed coverage of aesthetic theory to life. It equips you to think critically about media aesthetics and apply them to production situations. Now presented in full color, the Eighth Edition's engaging presentation is richly illustrated with strong visuals that often draw on traditional art forms, such as painting, sculpture, and dance.

THEATRE

ACTING

ACTING, 7E

Onstage and Off

Robert Barton, University of Oregon

© 2016, 416pp, Paperback, 9781305077447

eBook

Reader-friendly and practical, **ACTING: ONSTAGE AND OFF** demonstrates how to adapt onstage training toward offstage performance, and how to apply skills for theatre and film to lead a rich, full life outside the theatre. Humorous,

conversational writing helps students learn all phases of actor training, including scene study, auditioning, and improvisation, as well as relaxation techniques for the mind, voice and body. Examples from life, rather than dramatic literature, ensure understanding. Students also learn strategies for connecting with other actors in a scene and in rehearsal. Enlightening and creative exercises help students practice altering their physical and emotional state to become a character while keeping those aspects of their selves that most serve the role being played.

ACTING IS BELIEVING, 12E

Kenneth L. Stilson, Southeast Missouri State University; Larry D. Clark, University of Missouri, Columbia; Charles McGaw, Late of the Goodman School of Drama, a School of the Art Institute of Chicago

© 2015, 352pp, Hardback, 9781285465050

eBook

Did you know that “an actor must believe to make his audience believe?” This is the key concept behind **ACTING IS BELIEVING**. Authors Charles McGaw and Larry D. Clark have influenced thousands of actors, and this Twelfth Edition has been completely

updated by Kenneth Stilson to inspire today’s future acting professionals. New exercises keep the content current and relevant. You’ll learn the Stanislavski System and how to perfect using it, and benefit from hundreds of other tips that help you become the flawless actor you are meant to be. The final chapter, “Getting the Job,” will help you find a job in the acting industry by discussing the latest approaches to auditioning and marketing.

MindTap eBook

THE ART OF THEATRE: THEN AND NOW, 4th Edition, brings the fascinating world of theatre to life with lively coverage of the history, cultural diversity, creativity, controversy -- and even a typical day in the life -- of theatre. As the authors wrote each chapter,

they asked themselves how the subject applies to students' lives. The result is a text packed with practical information you can use in everyday life, including insight on censorship, freedom of speech, copyrights, the National Endowment for the Arts, and more. Timely connections drawn between theatre and TV and film help you see how the living stage is unique, and the optional MindTap digital learning solution provides a variety of online study tools to help you ensure your success in the course.

THE ESSENTIAL THEATRE, 11E

Oscar G. Brockett, University of Texas, Austin; Robert J. Ball, University of the Incarnate Word; John Fleming, Texas State University; Andrew Carlson, University of Texas at Austin

© 2017, 496pp, Paperback, 9781305411074

eBook

Whether you are a theatre major looking forward to a career in the arts or a non-major interested in an overview to increase your appreciation as an audience member, THE ESSENTIAL THEATRE, 11th Edition, provides an engaging, insightful, and informative

resource that will enrich your theatre experience throughout your life. Written by highly respected teachers and theatre historians, the text has earned its reputation as one of the most comprehensive, authoritative surveys of the theatre. Its vibrant treatment of theatre practice--past and present--catalogs the origins of theatre through postmodernism and performance art. The Eleventh Edition includes an all-new chapter devoted to musical theatre, new "Then and Now" boxes that link theatre history to present-day, and numerous new photos--including photos of actors you will quickly recognize from film and television.

THEATRE, 7E

A Way of Seeing

Milly S. Barranger, *University of North Carolina, Chapel Hill*

© 2015, 416pp, Paperback, 9781133309895

eBook

Consistently praised as “streamlined” and “clear and student friendly,” THEATRE: A WAY OF SEEING offers the beginning theatre student an exciting, full-color introduction to all aspects of theatre. It presents the experience of theatre, who

sees it, what is seen, and where and how it is seen largely from the viewpoint of audiences exposed to a complex, living art that involves people, spaces, plays, designs, staging, forms, language, and productions. The book includes the appropriate coverage of the history, diversity, and most critical moments in theatre in a way that encourages students to experience theatre as “a performing art and humanistic event.”
