ESTHETICIAN'S GUIDE TO CLIENT SAFETY AND WELLNESS

Judith Culp; Toni Campbell

© 2013, 160pp, Spiral, 9781439057452

eBook

Accidents happen, even in the structured, pampering environment of a professionally-run salon or spa. How often have you asked yourself "What would I do if...?" What would you do if a client had a heart attack or suddenly stopped breathing? What should you

do if your client is burned or breaks out in a strange rash during treatment? The Esthetician's Guide to Client Safety and Wellness is designed to offer practical, safety-based information and tips to decrease the possibility of infection, as well as accidents or injuries during treatment or service. An entire section is dedicated to cautions and contraindications relating to medications that can affect treatment choices, especially for clients dealing with health conditions. Considering the many inherent exposures – not only to the client but to those actually working in the spa, clinic and salon environment – the Estheticians Guide to Client Safety and Wellness is an essential tool and an invaluable resource for esthetic and cosmetology professionals.

TOUCH & MOVEMENT

Palpation and Kinesiology for Massage Therapists

Julie Goodwin

© 2013, 576pp, Spiral, 9781439056578

eBook

TOUCH & MOVEMENT: PALPATION AND KINESIOLOGY FOR MASSAGE THERAPISTS leads step-by-step through the client assessment process, from analysis of posture and gait through application of the principles of complex movement to

palpation of the skeletal and soft tissue structures of the body. Extensive instruction in palpation and kinesiology techniques including focus on endangerment zones, cautions and contraindications, and an array of palpation practice exercises, encourages true mastery of this crucial assessment tool. The text engages all learning styles with a range of hands-on exercises. Students can apply new concepts and techniques right there in the classroom or reinforce those skills in the treatment room. They learn why and how they should palpate bony landmarks, soft tissue attachments, and muscles. It grounds the reader in the fundamentals of joint and muscle anatomy and physiology. It also fills in potential educational gaps for those massage therapists whose initial training took place prior to classes that incorporated in-depth palpation and kinesiology techniques. With **TOUCH & MOVEMENT: PALPATION AND KINESIOLOGY FOR MASSAGE THERAPISTS**, established professionals and massage therapy students alike will find a visual and comprehensive tool created for and dedicated to their specific practical and educational needs and career growth.

THE COMPLETE GUIDE TO LYMPH DRAINAGE MASSAGE, 2E

Ramona Moody French

© 2012, 288pp, Paperback, 9781439056714

eBook

Lymph drainage massage is a technique utilized by massage therapists to provide relief from edema, an accumulation of fluids in the tissues that causes swelling. This book provides a scientifically-accurate explanation of the lymphatic system, the theory behind

lymph drainage massage, and explains when it should be performed. Also provided is an explanation of the application of lymph drainage massage to the needs of well clients, rather than focusing on pathology, since most massage therapists and estheticians will not be treating lymph edema disease in their work. The book offers step-by-step procedures for facial and upper and lower body massage, giving you practical information that can be applied immediately. With an aging baby boomer generation and the population at large increasingly focused on well-being, technicians – whether beginners or those looking to review and broaden their skills – are increasingly interested in learning about lymph drainage massage and how it can enhance their clients' experience as well as their own careers. Milady's Guide to Lymph Drainage Massage can play a vital role in accomplishing all of these goals.

Judith Culp; Toni Campbell

© 2013, 160pp, Spiral, 9781439057452

eBook

Accidents happen, even in the structured, pampering environment of a professionally-run salon or spa. How often have you asked yourself “What would I do if...?” What would you do if a client had a heart attack or suddenly stopped breathing? What should you

do if your client is burned or breaks out in a strange rash during treatment? The Esthetician's Guide to Client Safety and Wellness is designed to offer practical, safety-based information and tips to decrease the possibility of infection, as well as accidents or injuries during treatment or service. An entire section is dedicated to cautions and contraindications relating to medications that can affect treatment choices, especially for clients dealing with health conditions. Considering the many inherent exposures – not only to the client but to those actually working in the spa, clinic and salon environment – the Estheticians Guide to Client Safety and Wellness is an essential tool and an invaluable resource for esthetic and cosmetology professionals.

eBook

Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in

cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waived. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers.

TOUCH & MOVEMENT

Palpation and Kinesiology for Massage Therapists

Julie Goodwin

© 2013, 576pp, Spiral, 9781439056578

eBook

TOUCH & MOVEMENT: PALPATION AND KINESIOLOGY FOR MASSAGE THERAPISTS leads step-by-step through the client assessment process, from analysis of posture and gait through application of the principles of complex movement to

palpation of the skeletal and soft tissue structures of the body. Extensive instruction in palpation and kinesiology techniques including focus on endangerment zones, cautions and contraindications, and an array of palpation practice exercises, encourages true mastery of this crucial assessment tool. The text engages all learning styles with a range of hands-on exercises. Students can apply new concepts and techniques right there in the classroom or reinforce those skills in the treatment room. They learn why and how they should palpate bony landmarks, soft tissue attachments, and muscles. It grounds the reader in the fundamentals of joint and muscle anatomy and physiology. It also fills in potential educational gaps for those massage therapists whose initial training took place prior to classes that incorporated in-depth palpation and kinesiology techniques. With TOUCH & MOVEMENT: PALPATION AND KINESIOLOGY FOR MASSAGE THERAPISTS, established professionals and massage therapy students alike will find a visual and comprehensive tool created for and dedicated to their specific practical and educational needs and career growth.

THE COMPLETE GUIDE TO LYMPH DRAINAGE MASSAGE, 2E

Ramona Moody French

© 2012, 288pp, Paperback, 9781439056714

eBook

Lymph drainage massage is a technique utilized by massage therapists to provide relief from edema, an accumulation of fluids in the tissues that causes swelling. This book provides a scientifically-accurate explanation of the lymphatic system, the theory behind

lymph drainage massage, and explains when it should be performed. Also provided is an explanation of the application of lymph drainage massage to the needs of well clients, rather than focusing on pathology, since most massage therapists and estheticians will not be treating lymph edema disease in their work. The book offers step-by-step procedures for facial and upper and lower body massage, giving you practical information that can be applied immediately. With an aging baby boomer generation and the population at large increasingly focused on well-being, technicians – whether beginners or those looking to review and broaden their skills – are increasingly interested in learning about lymph drainage massage and how it can enhance their clients' experience as well as their own careers. Milady's Guide to Lymph Drainage Massage can play a vital role in accomplishing all of these goals.

ESTHETICIAN'S GUIDE TO CLIENT SAFETY AND WELLNESS

Judith Culp; Toni Campbell

© 2013, 160pp, Spiral, 9781439057452

eBook

Accidents happen, even in the structured, pampering environment of a professionally-run salon or spa. How often have you asked yourself "What would I do if...?" What would you do if a client had a heart attack or suddenly stopped breathing? What should you

do if your client is burned or breaks out in a strange rash during treatment? The Esthetician's Guide to Client Safety and Wellness is designed to offer practical, safety-based information and tips to decrease the possibility of infection, as well as accidents or injuries during treatment or service. An entire section is dedicated to cautions and contraindications relating to medications that can affect treatment choices, especially for clients dealing with health conditions. Considering the many inherent exposures – not only to the client but to those actually working in the spa, clinic and salon environment – the Estheticians Guide to Client Safety and Wellness is an essential tool and an invaluable resource for esthetic and cosmetology professionals.
